Student Life

Yale High School is considered the building blocks to many students. This is the place where memories will be made, and will make us who we are beyond YHS. Each of us bring something different to Yale High School. Whether it's with clubs, sports, or academics, we all have something lying beyond Yale High School. Let's make the most of our time that we have here at YHS.

HOMECOMING GAME

Nick Hunsaker

Nick was one of the key players of the homecoming game. He had two solo tackles and one assisted tackle. Great coverage on the quarterback!

Tevin Hunter

Tallying up all of Tevin's stats, he ended up with three solo tackles. He had great coverage on the receivers. Keep it up Tevin!

Lem Schutt

Lem had a great homecoming game. His final stats include 37 rushing yards, one touchdown, a two-point conversion, eight solo tackles and three assisted tackles.

David Hill

David scored the first touchdown for Yale. He had 90 rushing yards, two passing attempts, one of which was completed for a gain of 35 yards. Way to go David!

This year's Homecoming football game was exciting down to the last play as we defeated Capac 14-7. The team was intense and focused throughout the entire game. The defense played outstanding making big play after big play to shut down their potent offense. This win gave us the opportunity to play for the league title. We defeated Cros-Lex 14-6 and became League Champs. It was a great year by a determined group of players.

Class of '09--Our time here at Yale has come to a close. For some of us it's a bittersweet parting of ways, for others it's a welcome new beginning. It is now time for us to move on, start new lives, and accomplish great things. Through all of this, our experience at Yale High School will remain with us. Whether it be a lifelong friendship, precious memories, or even just a diploma; all of us will benefit from and hold onto some part of our high school days. I know that I will never forget all of our class members and the great times we have had together.

The class of 2009 is a fun, unique, and talented group of individuals. I expect great things out of our class and anticipate one interesting reunion in a decade or so. I sincerely hope we all live up to our vast potential and achieve the great success we are capable of. Regardless of what your future holds, I wish you the best of luck in everything you do.

Juniors: *One Year Left Beyond Them*

Juniors only have one year left before they're Seniors, so they're living it up as much as they can! Even with all of the pressure from the ACT and college applications, they're still amazed at how much they learn about not only themselves but each other. Not to mention that since their high school career is almost over, they need to make as many memories as possible. Best of luck Class of 2010!

They are halfway through high school, and they're still so full of life! Sophomores survived their first year and aren't afraid to make themselves known. With an extremely high amount of classmates, they're officially the biggest grade in the school. Although the upper classmen may not take them seriously, the real world better watch out for this colorful class!

Freshmen: *Beyond Junior High*

Although many freshmen were probably nervous upon entering high school, they soon learned that it wasn't as hard as they thought. Now that they are more comfortable with their surroundings, they can embrace all that high school has to offer and can begin to plan their next three years. Congratulations freshmen for you are now one step closer to entering the real world.

Here at Yale High School, English isn't only important to our students it's also very important to the teachers who teach it. Over the years we have had many new additions to our English Department, and we are very happy they have joined us. Everyone likes a little variety. That is why Yale offers a wide range of electives that a student can choose from. Students find that they can express themselves within their electives. Creative Writing and Art are ways that some students prefer to express their thoughts and feelings. There are classes that you can take that will help prepare you for college. Some take Sociology and Psychology, while others take Weightlifting and P.E. class. Others decide to learn about other cultures through French and Spanish. You can also learn to maintain your own checkbook in Accounting. Business Management helps you learn the different softwares the computer offers. The Dog Pound is another option a student has; whether working cash register or security. With the Yearbook class, students use both business and creative skills.

Beyond Competition

Yale sports were outstanding this year. The Volleyball team won the outright title in the BWAC League Play with a 14-0 record. In Cross Country, James Fisher got an All-League Honors. Also, the Boys Tennis team placed 7th in the BWAC League Competition. The Girls and Boys Track teams placed 2nd in the league. In Wrestling, Andrew Schutt set the school record by winning his 200th match in January. Even though the Softball team had a rough season, hopefully they can have an improved season next year.

This year the Varsity Bulldogs had a great year. They were 7-3 overall, in the league. They had 2 bad games, which messed up for the league title; but there were also 4 more teams that messed up too. Yale came back and tied Richmond, Almont, and Cros-lex for it. We also made it to the play-offs where we played Mt. Morris; but we didn't get past them to move on. They were a tough team.

Pushing Beyond the

PAIN...

Cross Country

This year's cross country teams had good seasons. The boys team did well even though they lost many seniors from last year. The boys finished 7th in the BWAC and 10th at Regionals. The girl's team had a strong group of runners, many of whom will be returning next year. The girls team finished 4th in the BWAC. They were just short of their goal to qualify for states. They tied with Cros-Lex for 3rd, and a tie-breaker at Regionals put them in 4th place.

"Run through the pain now, you can die at the end."

"We're kind of a big deal."

We had an excellent season this year. The girls worked very hard all summer and during the season. Their hardwork and dedication led them to one of their goals of being undefeated in the league (14-0). We played a lot of tough competition this year and the girls did a great job of pushing themselves to the next level. We will miss the seniors greatly next year, but Coach Joan and I are still confident we will be very competitive with our returning and new players. I look forward to next season.

This year the Varsity Wrestling Team went eight and one in the league. The Varsity Wrestling Team had some ups and downs during the season, but they made up for the mistakes in their practices and worked very hard to fix them. The Varsity Wrestling Team took 1st in the BWAC. They had 12 of their wrestlers that placed, and 7 that were in the finals. Now they are working very hard everyday in their practices to be League Champs, District Champs, and to make it to Team States and possibly become Team Champs. But they have to work very hard to get in to that spot. The Varsity Wrestling Team will strive to beat the number of the State qualifiers. The Varsity Wrestling Team has some very hard goals for the future. But now, let's see if they can do it. GOOD LUCK YALE WRESTLING...

When we finally got to play on the courts, it was a relief. The weather held good for most of the time, and let us win the Yale Doubles Tournament. The Varsity Golf members line up after a successful win against Brown City.

"You never know. Practice makes perfect."

What was the most exciting event that took place during golf season?

"I almost knocked Brandy out with a golfball."

- Lem Schutt

"We adopted a new league format this year in the "Jamboree System," where all schools in the league show up at a host school's course. It is very new to our kids this year and it will take our young team at least a year to adjust. It has a tournament format every time the team steps on the course, which will help us in the long run at the state competition as well as tournaments. Our team will enjoy experience next year in the league and we will return two of the top golfers in the league with James Schmidlin and Anthony Schoof. Mr. Lewis and I continue to look forward to putting more and more successful teams on the course."

Beyond Choices

Yale High School offers a variety of clubs and organizations to fit the interests of their collection of students. Like acting? Join the Spring Play. Always had an interest in the fine arts? Why not try the Fine Arts Club? Or maybe helping the community by joining the Student Council is what you're interested in. No matter what you want to do, Yale High School has a club or organization to fit your interests.

Fine Arts Club

The Yale High School Fine Arts Club was established seven years ago. Since then, they have been working to increase people's interest and appreciation for the arts. This year, the Fine Arts Club also hosted their annual Halloween Dance where students were encouraged to come dressed in their costumes. Art students also make personalized ornaments for Christmas every year.

The French club is involved in many activities within the school as well as in the community. During the holidays, the club will do things of a benevolent nature for families of the community. The club members take pride in helping others and most importantly, having fun. The French club is a fun organization that opens students to a world of culture.

This year the Spanish Club had a ton of fun! They had a different activity every month, including bowling, a lock-in, capture the flag, the lip sync contest and many more. Voted the best club for the past 10 years, only one word is necessary to describe the Spanish Club... EXCELLENTE!

Colorguard is a club that many people enjoy. It's a dedication like all of the other organizations and clubs, but Colorguard is a fun entertaining way to support the Yale Football Team. Colorguard members attend all home football games and help the cheerleaders led them to victory.

Drum Majors Donald Shaffer, Jessica Bobik, and Jonathan Lauwers led Yale High School's Marching Band through a fun and exciting season. They learned new techniques and marching styles by attending Drum Major Camp, and the band beautifully showed off what they learned. With the Drum majors leading the band through a variety of songs, including some by "The Beatles," every game was filled with pep and excitement, and it was a wonderful experience.

Congratulations Jacob

God sent us an angel. You have touched our lives in so many ways. You were the bright in our life since we laid eyes on you! You've always been a good boy, now grown into a responsible, young man. You've done your own thinking, been your own person, a hard worker, and have a set and achieved some big goals. We hope your dreams take you to the corners of your sweet smile, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known. "We can only give good advice and hope to see you on the right paths, and then the rest is up to you." Your accomplishments, your respect for others, your kindness, and courteousness have not gone unnoticed. Your hard work and dedication in academics, football and wrestling are amazing. Thank You Jacob for becoming the person that you are!

With all Our Love,
Mom & Dad

Jacob, You're truly a very special brother and friend. I'm proud of you as a brother. We have so many memories, and long talks, a lot of laughs, and even tears. And I'm looking forward to many more years of them. Remember your values, and to follow your heart, and stand true to your beliefs. But most importantly, remember you are loved! I will always be within reach.

Love,
Joshua

CAITLIN... CAITLIN JEAN... JEAN BEAN

My beautiful "baby girl", you have grown up so fast. We can hardly believe it's time to let you go and try your wings in the big world! You have been a wonderful blessing in our lives, with your quick beautiful smile and compassionate nature. You have tried and succeeded at so many things; cross country and acquiring your C.N.A. license, already touching and caring for so many people. The next big step is just ahead of you. We have always been so proud of you; from the very first 5K to walking across that stage and accepting your diploma. We know that you will become the very best nurse that you can be. The future is yours, reach out and grab it!!

We love you,
Mom and Dad

Baby Sister... Sissy

We couldn't have asked for a better sister. What can we say... watching you learn to walk, baby sitting you, teaching you to ride the 4-wheeler, "need for speed", movie nights, cheering you on at races, giving you your first car, hanging out. We are so proud of you and all that you have accomplished. The world is yours to take, "Sissy", so go out and grab it and "run with the wind."

Love,
Brian and Kevin

Katherine "Frinnj"

We can't believe you're graduating. We are so proud of the woman you have become. However, to us, you will always be our little girl. Your future is bright and you can achieve anything you want to. Just remember we will stand behind you no matter what you want to do. Eighteen years have come and gone so fast and we can't believe that you're all grown up. We hope all your dreams come true in your life. Always be true to yourself, and don't ever change. Just remember that you mom and dad love you more than you will ever know.

Love always,
Mom and Dad

Katherine,

Even though we're three years apart, we're about as close as we can get. You're someone I know I can come to with anything and know that you won't judge me or let me down. I appreciate everything you've ever done for me. We've been through thick and thin, but made it through and all it does is bring us closer. No one can come between us. You're not only my sister, you're my best friend

I love you,
Victoria

Katherine (Katie-Cole),

There is no greater journey than following your dreams. Never give them up because today and every tomorrow belong to you. Congratulations on your graduation. We are so proud of the young woman you've become.

Love,
Nana and Gaga Goold

Katherine,

Congratulations to our beautiful little "MUD BOOGER."

We have watched you grow from a little girl with a hilariously funny sense of humor to a beautiful, kind, considerate, and confident young woman. We wish you success in your life and your future medical career. We can never express how proud we are of you and want you to know that wherever you are and whatever you do our love will always be with you.

We love you,
Papa & Nana Fuller

Kyle,

We love you, not only for what you are, but what we are when we are with you.

We love you, not only for what you have made of yourself, but for what you are making of us.

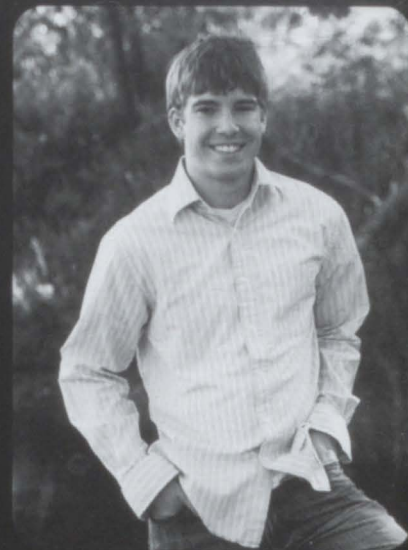

We love you for the part of us that you bring out. You have done it by simply being yourself.

You have been a true blessing to our lives. Now that world awaits your coming. Live each day to the fullest. Get the most from each day of your life. Then you can look forward with confidence and back without regret.

Congratulations!

All our love-
Mom & Dad

Tyler, Conner

Lem/Andrew,

From the time you were born, you have always made us proud. We know you can achieve anything you set your mind to. We love you!!!!

**Love,
Dad, Mom, and Krystina**

"My Wish"

I hope the days come easy and the moments pass slow, and each road leads you where you wanna go, and if you're faced with a choice, and you have to choose, I hope you choose the one that means the most to you. And if one door opens to another door closed, I hope you keep on walkin' til you find the window, If it's cold outside, show the world the warmth of your smile, but more than anything, more than anything, My wish, for you, is that this life becomes all that you want it to, Your dreams stay big, your worries stay small, You never need to carry more than you can hold, and while you're out there getting where you're getting to, I hope you know somebody loves you, and wants the same things too, Yeah, this is my wish. I hope you never look back, but ya never forget, All the ones who love you, in the place you left, I hope you always forgive and you never regret, And you help somebody every chance you get, Oh, you find God's face in every mistake, and always give more than you take. But more than anything, yeah, more than anything, My wish, for you, is that this life becomes all that you want it to, your dreams stay big, and your worries stay small, You never need to carry more than you can hold, and while you're out there getting where you're getting to, I hope you know somebody loves you, and wants the same things too, Yeah this is my wish

We want you to know that no matter what, we love you and wish you all the best in life! Dream big and remember if you want it bad enough, anything is possible! We are so proud of you as you go from our "Little Boo" to a fine young man.

Love,
Mom, Dad, Heather, and Grandma Cheryl

 HAVE GREAT GOALS AND A BRIGHT FUTURE.
 LOVE ALWAYS,
 YOUR WONDERFUL FAMILY

Danny—
 Rainy days are your Dad's tears of joy coming down
 from Heaven at how proud he is of you. For those
 obstacles life has put in your way and your ability to
 overcome them and accomplish all that you have, I
 couldn't be more proud of you honey.
 While the next chapter in your book of life will bring
 you many more obstacles, keep your eye on the
 prize and shoot for the moon!
 Love you bunches...
 Mom

Bob,
 It seems like just yesterday that you
 started school, and now here you are
 getting ready for your graduation. This
 accomplishment is just the beginning,
 there will be many more to follow. Our

 your heart, your future is what you make
 of it. Set your goals high and remember
 your dreams, for they will be your future.
 There are no wrong choices, just be
 true to yourself and what you want to
 accomplish, the rest will fall into place. You
 have grown into a fine young man; you
 have given us such joy and laughter. Good
 luck, we love you, and are proud to say
 you are our son, and brother.
 Love,
 Dad, Mom and Jackie

Why You'll Look Best At Birchfield...

Wide open lens puts
more emphasis on YOU
rather than the background

40 acres of natural & landscaped features
on-site means you'll be comfortable &
won't have to travel to public parks

Did you know that lighting
is the single most important
(and overlooked) element of a photograph?
Birchfield uses off-camera flash,
reflectors, & natural lighting to flatter you!

Slight vignette
makes the subject
(you!) stand out.

The wrong facial angle
can make your nose look bigger!
Birchfield analyzes your facial structure
& tells you how to turn your face
to bring out your best features.

The wrong pose can add 20 pounds!
Instead, Birchfield carefully poses you
to flatter your body.

The 2009 yearbook staff worked hard to create a memorable high school yearbook. With the theme, "Beyond..." many dedicated students put out countless hours of time and energy in order to meet every deadline. The yearbook was printed by Herff Jones Yearbook Company in Edwardsville, Kansas with a run of 420 copies. This year's book was created using Adobe Indesign CS2. All pictures were digital and formatted with Corel Draw and Adobe Photoshop.

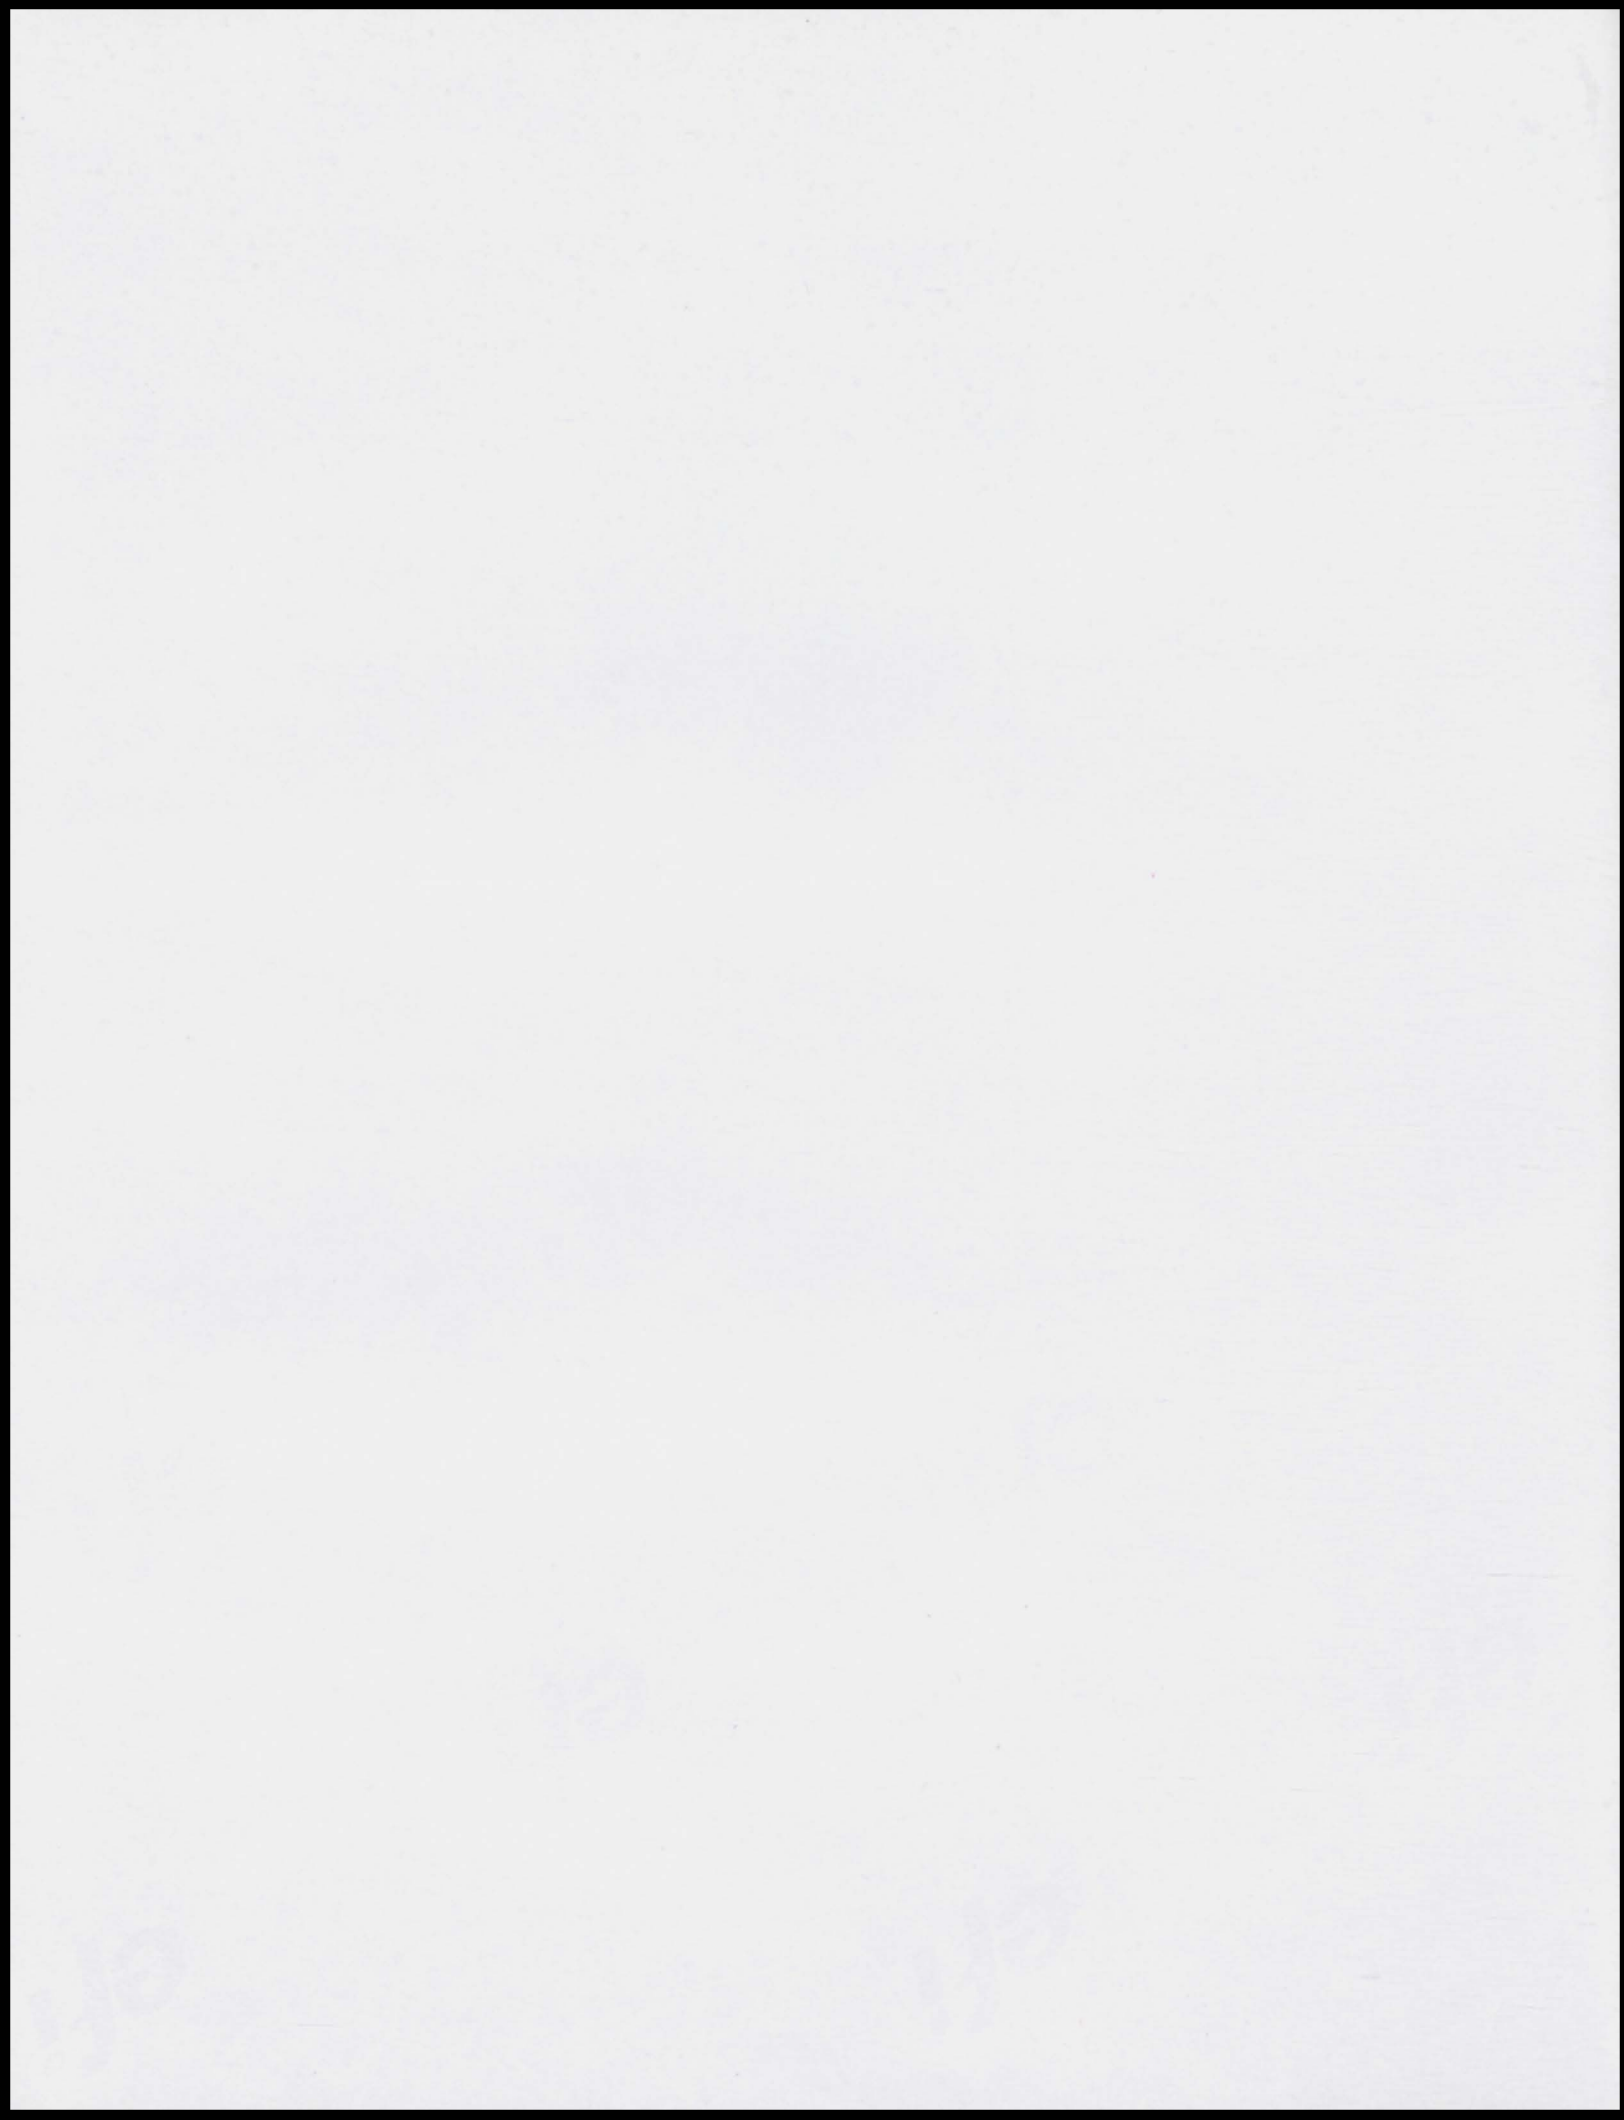

Our deepest gratitude goes out to all of our administrators, faculty members, and staff for their support and cooperation during the school year.

A very special thanks to all of our sponsors and advertisers whose funding makes the production of the yearbook possible.

TIGER WOODS won his third U.S. Open title at Torrey Pines, outlasting Rocco Mediate on the 19th hole of a play-off. **BILL GATES**, Microsoft's chairman and largest shareholder, marked the unofficial end of his career, "retiring" to spend more time guiding his charitable foundation. **NASA's** space shuttle Discovery landed safely in Florida after delivering a new Japanese laboratory to the International Space Station.

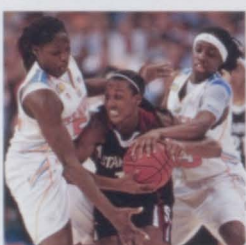

NEW ORLEANS RAPPER LIL WAYNE grew his fan base with free songs, then sold more than a million copies of "Tha Carter III" in a week, the first album since 2005 to do so.

MIDWESTERN FLOODING caused by severe storms that dropped nearly a foot of rain from Iowa to Michigan and Indiana displaced thousands and left at least eight dead.

A TENNESSEE REPEAT made Coach Pat Summitt's Lady Vols the NCAA champions for a second consecutive year; Candace Parker won back-to-back MVP honors.

OBAMA'S NOMINATION

made history when, on June 3, 2008, Barack Obama finally had what he needed — more than 2,118 delegates — to clinch the Democratic nomination and become the first African-American with a viable chance of winning the United States presidency. Obama, an Illinois senator in office less than four years, and New York senator and former First Lady Hillary Clinton had campaigned from coast to coast for months for the right to face Republican John McCain in the Nov. 4 general election.

"THE DARK KNIGHT," a sequel

to Christopher Nolan's "Batman Begins," shattered box office records with its July release. In just 10 days, the superhero thriller brought in more than \$300 million at the box office, eclipsing the mark held by "Dead Man's Chest" by nearly a week. Filmed in Chicago, the movie's special effects, musical scores and viral marketing added to its allure and mystique. "The Dark Knight" was nominated for eight Academy Awards, including a posthumous nod for Heath Ledger (for Best Supporting Actor as the Joker). Attempting to enhance its Oscar-winning chances and to surpass \$1 billion in worldwide gross, the film was re-released on Jan. 23, 2009.
